

# SBC MONTHLY

*Advance the Gospel, Reach the Nations*

---

## NOVEMBER 2017

---

Singapore Baptist Convention was actively involved in several mission conferences this year.

### Hong Kong Baptist Partnership Visit (22 Sep 2017)

In September 2017, our visit to the Hong Kong Baptist Convention and a few churches in the area had re-invigorated ties for partnership in mission work. We give thanks and praise to the Lord for connecting us with churches in Hong Kong who are passionate for mission in the Riau Islands.

### 9<sup>th</sup> Asia-Pacific Baptist Congress (25-29 Sep 2017)

Rev Edwin Lam, Senior Pastor of New Life Baptist Church, was elected as the President of the Asia-Pacific Baptist Federation (APBF). Rev Dr Bobby Lee (Executive Director, Convention) was co-opted as the Assistant Treasurer.

## 8<sup>th</sup> Trans-World Chinese Baptist Mission Conference (17-20 Oct 2017)

Theme: Unchanging Mission in an Ever-Changing Generation

Rev Dr Bobby Lee (Executive Director, SBC) addressed the topic on 'Partnership for the Gospel' (Phil. 2:19-24), challenging the delegates to work on building consensus, strengthening capacity, and achieving collaboration. Dr Daniel Wu (President, BTS) spoke on Paul's life in the Book of Acts, the 3 phases which showed how God selected, shaped and sent His missionary to the Gentiles. Personal testimonies were shared by various missionaries who have been doing cross-cultural mission work. During the conference, there was a calling to share the gospel via the "One Belt One Road" initiative, of which 550 people responded to.

Rev Andrew Chang (TRBC) was involved with leading the worship, while Rev Dr Samuel Ng (BTS) chaired the Opening Session and Pastor Andrew Tjang (Mission Strategist, SBC) was the co-chair.

Praise God for expanding SBC's perspective through the collaborative efforts in advancing the Gospel!
