Pastoral Search

We, Changi Baptist Church, are seeking a Pastor to shepherd the English congregation (about 70). We are a biblically based and family-oriented church that loves and obeys God, and cares about people.

The Pastor serves in a humble spirit and displays Christ-like character and spirit. He is a servant-shepherd who equips and develops relationships to advance the gospel of Christ, and encourages God's people into Christlikeness. He is passionate in preaching God's Word, and is committed to Prayer, Discipleship, and Excellence in Personal, Family, and Congregational conduct.

The Pastor shepherds the flock under the authority of the Chief Shepherd, Jesus Christ, through a close personal walk with Christ so as to discern God's voice to lead, feed and protect the body of Christ and thus meet their practical and spiritual needs. He demonstrates leadership in caring, protecting and correcting members in the bond of love and unity. He works closely with fellow leaders, mentors them, discerns their gifts and equips them for effective ministries to build up the body of Christ. He preaches effectively and forges teamwork among church staff. He should be trained in an evangelical theological college; have experience in counselling, with 2 – 3 years' experience in pastoral ministry. He should be fluent in English and preferably conversant in Mandarin.

Resume requirements: Formal Education and Training, Church Experience, Family Information, Personal Accomplishments & Goal, Published Works (if any), Statement of Faith, Licensure, Favourite Authors, Hobbies & Interests, Organizational Membership. A DVD/CD/video or audio tape of recent sermons would be very helpful but not mandatory.
